### Aman Spa

Amankora - Gangtey

Amankora's five lodges blend Himalayan therapies and traditional rituals for physical, mental and spiritual rejuvenation. In harmony with nature, a variety of wellness treatments create a transformative holistic experience across Bhutan.

At Gangtey Lodge, the experience unfolds in the serenity of the spa with its two private treatment rooms, or while taking part in the traditional ritual of Bhutanese bathing in a hot stone tub with panoramic valley views.

## Aman Signature Treatments

Available at Aman Spa destinations around the world, these Signature Treatments reflect the Grounding, Purifying and Nourishing pathways of the Aman Skincare product range. Each treatment is designed to support your individual needs while targeting specific concerns and personal wellness goals.

A deeply relaxing, mineral-rich Foot Ritual acts as a prelude to each – a symbolic act of service that fosters trust ahead of the treatments to come.

## Grounding

Grounding treatments work as a balm for the busyness of everyday modern life. They impart a feeling of safety, offering reassurance and reconnection.

### Grounding Massage Ritual

60 | 90 minutes

A Ku Nye full-body massage honours ancient Tibetan healing tradition to stimulate muscles, while a subtler massage energises the meridian system. This treatment incorporates massage along meridian lines, acupressure, kneading and deep-tissue techniques. The body massage is followed by a Tibetan head massage that induces an even deeper level of relaxation.

### Grounding Face Ritual

60 minutes

Suitable for normal, dry and combination skin, this facial incorporates rose-quartz crystals to promote healing, frankincense to aid rejuvenation and hyaluronic acid to boost hydration. Lymphatic and muscular massage techniques stimulate circulation and raise vibrational energy, while acupressure using heated Himalayan salt poultices leaves skin radiant. The treatment ends with a mask of Peruvian black mud and amethyst crystal, and a Tibetan head massage

## Purifying

Purifying treatments act as a powerful spiritual cleanser, lending protection, clearing stagnant energy and stabilising the heart and mind. Old energies and emotions are ushered away, creating new space for mind, body and soul.

### Purifying Massage Ritual

60 | 90 minutes

This deeply relaxing, detoxifying massage restores harmony to the body and clears the mind. By concentrating on lymphatic-drainage techniques, it manipulates lymph nodes and vessels to increase activity and restore the body's natural flow. Pressure is lower in intensity, but powerful in its effects.

### Purifying Face Ritual

60 minutes

Combining soft-tissue therapy and lymphatic drainage, this tension-releasing facial is beneficial for anyone exposed to urban pollution. Lymphatic massage stimulates the glands in the chest, neck and face, resulting in glowing, toned skin. Key ingredients include brightening pearl, regenerative copper and powerful marine extracts that strengthen collagen production.

## Nourishing

Nourishing treatments nurture the body and encourage the healing of emotional and mental wounds, reuniting guests with their true authentic self.

### Nourishing Massage Ritual

60 | 90 minutes

A deeply relaxing experience, this treatment incorporates chakra balancing technique and marma points therapy to balance energy, releasing negativity and bringing the body back to a state of awareness and equilibrium. On a physical level, the rhythmic massage dissipates muscular tension.

### Nourishing Face Ritual

60 minutes

This brightening, moisturising treatment calms and rejuvenates with honey, rosehip, wheat germ, cactus oil, jasmine and silk. Combined, they work to soothe and brighten dull or irritated skin. This facial also invites relaxation by stimulating the flow of prana, described as the universal life energy that enters the body via breath.

## Amankora Signature Treatments

### Traditional Hot Stone Bath

60 minutes

Amankora's Hot Stone Bath takes place in a candle-lit stone hut on a hill, a 10-minute walk from the Gangtey lodge. You have the unique opportunity to soak in a wooden tub out in the open and enjoy this traditional Bhutanese healing experience. The sliding bamboo doors allow full privacy yet offer open views of the magnificent Phobjikha Valley.

Your body will benefit from the minerals in the heated stones and the healing effects of the local Khempa herb. Sit back and unwind in the bath for as long as you wish while sipping on a cup of hot apple cider and watching the sunset.

### Hot Stone Massage

90 minutes

A combination of warm stones and massage penetrates deeply into the body to soothe and relax muscles. Heated basalt stones act as an extension of the hands as they glide over the body as part of this flowing massage technique, allowing the benefits to be felt at a deeper level.

### Thai Massage

90 minutes

Improve movement and flexibility through yoga-style stretches and acupressure techniques to release muscular tension. This bodywork therapy is uniquely relaxing yet energising and is a highly effective therapeutic treatment. It is performed over loose, comfortable clothing.

### Trekker Massage

60 minutes

The perfect response to a long day of walking, this massage concentrates on the foot's reflexology points and the muscles in the legs, using stimulating peppermint and rosemary to soothe tiredness and revitalise the body and mind.

### Hot Oil Head Massage

60 minutes

This signature treatment is based on the ancient healing system of Ayurveda. Warmed coconut oil nourishes the hair and the scalp, while the back, neck and shoulder massage offer a relaxing addition to this luxurious treatment. Deep thumb pressure, friction and soothing strokes along with the warmth of the oil help reduce tension, improve circulation and flush out physical and emotional toxins.

### Amankora Holistic Massage

30 | 60 | 90 minutes

Our therapists combine unique healing touch with a range of diverse techniques to create a tailor-made treatment, which can either focus on specific areas of tension or promote an overall sense of relaxation and wellbeing.

### Foot Massage

30 minutes

## Movement & Mindfulness

### Yoga

60 | 90 minutes

Yoga is an ancient practice that originated in India over three thousand years ago, designed to cultivate harmony between the body, mind and spirit. Rooted in a philosophy that encourages self-awareness, mindfulness and balance, yoga aims to help individuals reach their highest potential while promoting lasting health, vitality and inner peace. Through regular practice, yoga can enhance physical strength and flexibility, improve posture and circulation, support mental clarity and emotional resilience, and foster a deeper sense of overall wellbeing. Each session encourages a connection with the breath, mindful movement and conscious relaxation, allowing participants to release stress, restore energy and achieve a sense of equilibrium in both body and mind.

To ensure your preferred session is available, we recommend booking yoga classes at least three days in advance.

### Chakra Balancing

70 minutes

An ancient energy-healing ritual that restores harmony within the body's seven chakras using the therapeutic sounds of Tibetan singing bowls, Tingsha bells and Koshi chimes. The layered vibrations, combined with mindful breathing and gentle touch, help release energetic blockages and encourage the natural flow of energy throughout the body. The journey concludes with calming stretches, leaving you relaxed, centered and deeply revitalised.
