Aman's flagship yacht, Amandira draws its name from the Sanskrit-derived word for 'peace' and dira meaning 'intrepid'. Handcrafted by Konjo artisans, the custom-built, 52-metre, two-masted Phinisi sailing vessel was designed as a luxury sailing and diving vessel, combining ancient romance with contemporary amenities. Amandira features three spacious cabins, a foredeck with sun loungers and bar, an indoor lounge and a library/entertainment room. She travels by motor and is fitted with world-class diving equipment.
