

AMANJENA

Festive Itinerary 2026-2027

As-salamu alaykum,

At Amanjena, the quiet luxury of space, beneath vast skies and desert stars, we invite you to pause—to reconnect with nature, with others and with yourself.

This season, we honour the rhythm of life with intention and warmth. In every gesture, every gathering, there is a ritual: of celebration, of stillness, of being wholly present.

Join us, as we share in rituals of joy under the vast sky of Marrakech.

Best wishes,

Your Amanjena family

GIVING BACK

A Brighter Future

Aman properties around the world are an integral part of the communities in which they are set, providing unique insight into the lives and needs of each community.

Education for All Morocco

EFAM empowers the next generation of Morocco's girls through access to education. Through several key projects, Education For All Morocco provides safe residences, quality education and specialised support for around 500 disadvantaged girls from some of the country's most underserved areas. With every girl supported, it creates a ripple effect of hope and progress that touches families, communities and future generations.

Empowered by Design

Meaning 'light' in Arabic, AlNour provides disabled women the opportunity of a self-determined life through the traditional Moroccan art of embroidery. AlNour offers medical support, meals, transport, training, insurance and even childcare to these talented women who create a beautiful collection of embroidered home accessories from 100% natural fibres. Discover their range and experience their unique blend of social care and entrepreneurship.
