

ARVA

Arva

Aman's tribute to Italian Underground Flavours

The English word 'harvest' originates from the Latin word 'Arva', meaning 'arable' or 'cultivated'. In the Italian 'cucina del raccolto', tradition, ingredients are grown in gardens or on farms, foraged from forest floors, or plucked fresh from the oceans, then transformed by the simple alchemy of the kitchen into uncomplicated, heart-warming dishes, made for sharing with family and friends.
