

AMANWANA

Festive Itinerary 2026

Welcome to Amanwana

The festive season is a wonderful time to be on Moyo Island.

At Amanwana, traditions are honoured and moments of connection lead us back to the heart of the celebration.

In this spirit, we have put together a calendar of experiences that celebrates many beloved holiday traditions from here and abroad, including those unique to Sumbawa, with exciting new additions and variations, culminating in our New Year's celebrations.

We hope you will enjoy these experiences as much as we enjoyed putting them together for you. Please do not hesitate to let us know of any special requests, and our team will be happy to assist.

Selamat Tahun Baru!

Happy New Year!

Your Amanwana Family

A Gift for the Gentle Giants

Surrounded by the waters of Sumbawa, our island is in close proximity to one of the ocean's most extraordinary creatures.

This year, we are seeking to raise USD 10,000 collectively to adopt a whale shark, supporting ongoing research that helps us better understand and protect these gentle giants.

Whether through a personal contribution or by joining others in this collective effort, your donation will help support research and conservation work dedicated to the future of whale sharks.

This generous gesture will do wonders for a species that has travelled these waters long before us and, we hope, will continue to do so for generations to come.

Contact our Guest Host for further details.
