“Good wine, well drunk, can lend majesty to the human spirit. The rules are simple, and if followed will add pleasure to the simplest palate, the simplest meal, and make it grow.”

The Terrace Bar and The Restaurant are places to gather in order to relax, unwind and indulge in these treats. These social places lie at the heart of our resort. Similar to a Balinese home, with its separate pavilions and the communal gathering space in the centre, Amandari invites our guests to emerge from their Suites to enjoy the company of the Amandari family. Natural Wine

Welcome to the enchanting world of ‘vins vivants’ – living wines crafted by passionate vigneron on vibrant lands. The vintners, who either nurture their own fruit or source from trusted friends, embrace minimal intervention to honor the soil and its ecosystem profoundly.

By adopting organic or biodynamic practices and allowing spontaneous fermentation with only natural yeasts, they capture the essence of terroir – a true reflection of time, place, and nature’s harmony. Rejecting harsh industrial chemicals, the winemakers draw on ancestral wisdom to tread lightly on the earth, producing wines that are not just beverages, but stories of their origins – naked, emotional, and brimming with life.
