Arva

Aman’s tribute to Italy’s rich culinary heritage

Arva is a collection of Italian dishes

Arva is Aman’s tribute to Italy’s rich culinary heritage – an inventive and sustainable approach to cooking using the finest ingredients of the season. This name is taken from the Latin term for ‘cultivated land’, a reflection of the kitchen’s philosophy of making the best of soil and sea.

The cooks of Italy, famed today for their mastery of the ‘cucina povera’, have been preparing food this way for centuries, feeding family and friends with honest, uncomplicated dishes, made with love and ingenuity.

Buon Appetito.
