SUGGESTED WINTER EXPERIENCES

Dolomite Alpine Skiing

Combine an adrenaline-fuelled day on the slopes, venturing to lesser-known ski runs with an expert guide. After pausing for a coffee in a scenic spot and then in another for an aperitivo, a well-deserved lunch awaits at Rifugio Sponata with its panoramic view across La Crusc, Cima Diesc, Lavarella and Conturines. Indulge with hearty, homemade pasta or dishes cooked over fire, before descending the valley to the village of La Villa.

Private Mountainside Sundowners

Our guides know multiple secret spots in the mountains where sundowners and canapés can be savoured in consummate privacy, accompanied by awe-inspiring views. As the setting sun paints the sky myriad colours and the mountains blush in soft rose hues, relax with your drink of choice and tasty Italian snacks. Combine this with our Enrosadira storytelling experience and fall under the spell of the mythical King Laurin, as told by a local expert.
