Giving Back

Throughout the season of gratitude, guests are invited to share the gift of warmth, donating any unwanted clothing and accessories—be it a pair of ski gloves or socks, a scarf or hat—at the end of their stay. Donation bags are provided and all items are gifted to those less fortunate.

At Aman Le Mélézin we are also proud to collaborate with Unisoap, an organisation that collects and recycles soap for humanitarian purposes. They transform this waste into valuable hygiene resources, gifting them to vulnerable communities.
