Tea Recommendations

Assam Bari

Assam tea cultivated using traditional natural farming methods. This blend uses a second flush, harvested at the moment when the leaves produce their finest aroma. It is characterized by a rich, full-bodied taste with a distinctive malty flavor.

Keemun Hao Ya

Keemun is one of the world's three major teas, along with Darjeeling and Uva, and is characterized by its sweet, mellow taste reminiscent of simple tea, and its moderate smoky aroma.

Wellness Tea Recommendations

Jasmine Pearl

A fragrance based on organically grown Chinese green tea with gorgeous jasmine flowers. The tea leaves curl up into pearls and bloom with a rich aroma.

Feel Better

Organic green rooibos-based tea combined with various herbs and plants such as elderberry, linden flowers, cinnamon, and orange peel in organic green rooibos. Wellness Tea Balances the body, restores energy from within, and helps relieve depression.

Tea Selection

English Breakfast

A finest-quality tea from Sri Lanka.

It is characterized by a deep, rich aroma and flavor, and contains slightly higher levels of caffeine than typical black teas.

Earl Grey

Delicate Darjeeling leaves blended with the aroma of bergamot.

This exquisite Earl Grey is distinguished by its refined yet full-bodied flavor.

Darjeeling Summer Gold

A premium Darjeeling from northeastern India, harvested during the summer season.

Please enjoy its full, vibrant aroma and refined flavor.

Uva

It is one of Ceylon's high-grown teas

and is considered one of the top three teas in the world.

It has a deep light blue color and a refreshing menthol-like scent.

Organic Masala Chai

Organic Assam is blended with spices such as cardamom, ginger, and cinnamon.

We also recommend the royal milk tea, which has the most aromatic blend.

Low Caffein Tea, Herbal Infusion

Rooibos

A herbal tea native to South Africa made from fermented green rooibos. It has a tea-like taste with low tannins and no astringency or bitterness.

Chamomile

Chamomile from Egypt is a representative relaxing herb. Sweet apple-like scent. Recommended for tea time or before bedtime.

Mint

A refreshing blend of organic spearmint and organic peppermint, harvested under the bright sun in Oregon and California. Perfect after a meal or whenever you want to feel refreshed.

Lemon Meringue

A rare green rooibos with exceptionally high antioxidant properties, blended with orange peel, rose, and cornflower. Inspired by lemon meringue pie, it offers a light, airy mouthfeel with a sweet and creamy flavor. The gentle tartness of lemon and the soft sweetness of meringue are perfectly balanced, adding a delightful touch to your teatime.

Japanese Tea, Chinese Tea

Iribancha Roasted Tea

A favorite in Kyoto for Generations, *Iribancha* has a refreshing taste. This tea, also known as *Kyobancha*, has been roasted flat at a hot temperature, imparting a distinctive appearance and a smoky aroma.

Japanese Tea by *Shogyokuen*

Established in 1827, we are particular about Uji tea, and our Japanese tea is made by one of only 13 tea masters in Japan, the highest rank of 10th dan.
