Your Amantaka Family

AMAN & THE COMMUNITY

Aman properties around the world are an integral part of the communities in which they are set, providing unique insight into the lives and needs of each community. At this time of year, when reflection and counting our blessings go hand in hand with reaching out to those less fortunate, we are pleased to be able to share our local initiatives.

Contemplative & Connected

Amantaka is deeply rooted in the spiritual and cultural fabric of Luang Prabang, a UNESCO-protected heritage site known for its 30 golden-spired temples and monastic community. Guests are invited to engage with the monks at Wat Pha O, the Buddhist Academy, where local boys from farming families receive free education. Exclusive private tours and meditation sessions offer a rare glimpse into the lives of these spiritual students. Significant donations from guests help sustain the academy, fostering a deeper connection to the local culture.

Educational Initiatives

Education is not free in Laos, placing financial pressure on many families. Amantaka raises awareness of these challenges and supports local schools by providing meals and essential supplies. A special focus is given to the Luang Prabang Special Education School, a boarding school for children with speech and hearing difficulties. Guests are encouraged to participate in these initiatives, with some even making ongoing contributions, such as donating catfish to a local school's pond, providing a sustainable food source. Significant donations from guests help sustain the academy, fostering a deeper connection to the local culture.

Social-impact Souvenirs

Through its boutique, Amantaka supports a local hospital for children by selling hand-crafted elephant toys that fund the charity. Guests are informed about the importance of these gifts and are encouraged to support the hospital. Additionally, when guests waive a full change in bed linen, a donation is made to Laos Friends Hospital of Luang Prabang, which offers free healthcare to children under 15.

Cultural Celebrations

Amantaka honours the diverse cultures of Laos, which include four ethnolinguistic families. The resort invites guests to celebrate the various New Year dates recognised by different ethnic communities. Lao New Year is generally celebrated in April, while the Hmong ethnic group's New Year falls between December and January, allowing guests to experience a rich tapestry of Laotian tradition.
