AMANDARI

Festive Itinerary 2026

Welcome to Amandari

The festive season brings a special warmth to Bali, where celebrations are marked by genuine hospitality, abundant tables and time shared with family and friends.

At Amandari, the season is an invitation to gather. Days begin with contemplative moments overlooking the Ayung Valley before giving way to experiences that celebrate Balinese culture, festive traditions and the simple pleasure of being together. From shared meals and cultural performances to moments of reflection and celebration, each experience has been curated to capture the spirit of the season.

Throughout the festive period, we invite you to discover experiences that honour both local customs and cherished holiday traditions, culminating in our New Year's Eve celebration, where rituals of joy bring everyone together.

We hope these moments become lasting memories for you and your loved ones. Should you wish to personalise your stay, our team would be delighted to assist.
