Lunar New Year 2026
Year of the Horse

Swastiastu,

In Bali, the celebration of Imlek, or Lunar New Year, embodies the island's unique cultural blend, honouring the influence of Chinese heritage, brought to the region centuries ago through thriving trade and the cultural exchanges that followed. Over the years, these influences have woven themselves into Balinese life, inspiring art, music, cuisine, architecture and spiritual traditions that coexist beautifully within Bali's vibrant culture.

Here at Aman Villas, our Lunar New Year programme pays homage to this heritage with immersive experiences, fine dining and wellness rituals designed to celebrate local tradition.

We look forward to sharing this special time of year with you.
