Iced Tea Recommendations

Iribancha Roasted Tea

A favorite in Kyoto for Generations, *Iribancha* has a refreshing taste
This tea, also knowns as *Kyobancha*, has been roasted flat a hot temperature,
Imparting a distinctive appearance and a smoky aroma.

Darjeeling Summer Gold

A premium Darjeeling from northeastern India,
harvested during the summer season.
Please enjoy its full, vibrant aroma and refined flavor.

Wellness Tea Recommendations

Lemon Meringue

A rare green rooibos with exceptionally high antioxidant properties,
blended with orange peel, rose, and cornflower.Inspired by lemon meringue pie,
it offers a light, airy mouthfeel with a sweet and creamy flavor.
The gentle tartness of lemon and the soft sweetness of meringue
are perfectly balanced, adding a delightful touch to your teatime.

Happy Tea

Wayusa-leaf (also known as the mysterious tree) based tea
combined with raspberries, jasmine flowers, hibiscus and apples.
Wellness Tea uplifts your mood and makes you feel happy.

Tea Selection

Assam Bari
Assam tea cultivated using traditional natural farming methods.
This blend uses a second flush, harvested at the moment when the leaves produce their finest aroma. It is characterized by a rich, full-bodied taste with a distinctive malty flavor.

English Breakfast
A finest-quality tea from Sri Lanka.
It is characterized by a deep, rich aroma and flavor, and contains slightly higher levels of caffeine than typical black teas.

Earl Grey
Delicate Darjeeling leaves blended with the aroma of bergamot.
This exquisite Earl Grey is distinguished by its refined yet full-bodied flavor.

Uva
It is one of Ceylon's high-grown teas and is considered one of the top three teas in the world.
It has a deep light blue color and a refreshing menthol-like scent.

Organic Masala Chai
Organic Assam is blended with spices such as cardamom, ginger, and cinnamon.
We also recommend the royal milk tea, which has the most aromatic blend.

Low Caffein Tea, Herbal Infusion

Rooibos
A herbal tea native to South Africa made from fermented green rooibos.
It has a tea-like taste with low tannins and no astringency or bitterness.

Chamomile
Chamomile from Egypt is a representative relaxing herb.
Sweet apple-like scent. Recommended for tea time or before bedtime.

Jasmine Pearl
A fragrance based on organically grown Chinese green tea with gorgeous jasmine flowers.
The tea leaves curl up into pearls and bloom with a rich aroma.

Mint
A refreshing blend of organic spearmint and organic peppermint, harvested under the bright sun in Oregon and California.
Perfect after a meal or whenever you want to feel refreshed.

Japanese Tea, Chinese Tea

Orchid Oolong tea

Grown in the hilltops of Nantou, Taiwan, Orchid Oolong tea brews a lilac flavor that is buttery and smooth with a fresh orchid finish. Oolong tea leaves are hand-picked and basket tossed in a process known as oxidization. The oolong tea leaves are then rolled into kernels that wait to unfold with flavor in your teacup.

Keemun Hao Ya

Keemun is one of the world's three major teas,
along with Darjeeling and Uva, and is characterized by its sweet,
mellow taste reminiscent of simple tea, and its moderate smoky aroma.
