Your Aman Le Mélézin family

Supporting the Local Community

Aman properties around the world are an integral part of the communities in which they are set, and all our team members and their families are part of the larger Aman family. This provides unique insight into the needs of each community, and Aman Le Mélézin is no exception. At this time of year, when reflection and counting one's blessings go hand in hand with reaching out to those less fortunate, we are pleased to be able to share our local initiatives.

Le Secours Populaire Français

Founded in 1945, this renowned organisation supports those living in poverty through the provision of food and clothing, while focusing on inclusion in all spheres, from sport to professional integration. Their green Papa Noel (Father Christmas) is a beloved figure, collecting gifts from those able to give, and giving them where needed to bring joy at this special time of year. To donate or find out more, please contact our guest assistants.

Stories of Gratitude

We encourage every guest to bring a book that meant a great deal to them during their childhood years. This will be donated, along with a Note of Gratitude explaining why it means so much to you, to a disadvantaged child via Le Secours Populaire Français. Alternatively you can order that special book through our Concierge team to be delivered to your Aman Le Mélézin suite.

Pass it on

If there is anything you don't wish to take home with you – be it a pair of ski gloves or socks, a scarf, or a warm hat – please consider placing it in the bag provided and we will ensure it is donated to someone in need via Le Secours Populaire Français.
