Festive 2021/22

Welcome to our 'Peaceful Mountain'.

We are thrilled to be sharing the festive season with you, and we hope you enjoy celebrating with us.

Here, in our beautiful corner of the desert, we have created a daily program of unique experiences, designed to showcase the best of our home in the wilderness. We hope that these activities will help you create unforgettable memories with loved ones and fill your hearts with the Aman spirit.

This year, we also invite you to discover the traditions and rituals of our neighbours from Aman hotels and resorts around the world, with various activities that pay homage to our global portfolio including future openings such as Aman New York.

In addition to these new adventures, we also continue to offer each of our Aman activities found in our excursion list which can be arranged for each guest.

If you are interested in participating in any of the events across the following pages, please contact our Reservations Team who are dedicated to making the coming days as seamless as possible. The team will also be happy to assist with any special requests, to make your stay even more memorable.

We wish you and your family a joyful festive season and a very happy new year.

Your Amangiri Family

Supporting the Local Community

Aman properties around the world are an integral part of the communities in which they are set. Our staff members are almost all local, and their families are part of the larger Aman family. This provides unique insight into the needs of each community, and Amangiri is no exception. At this time of year, when reflection and counting one's blessings go hand in hand with reaching out to those less fortunate, we are pleased to be able to share our local initiatives.

CUDDLE Outreach

CUDDLE outreach's main mission is to support children removed from abusive situations and placed in the foster care system by providing them with a CUDDLE Wellness Bag offering some comfort at a traumatizing time. We will invite our guests to purchase the teddy bear that goes in the CUDDLE Wellness Bag (along with a quilt and other essential items) and we will then deliver these teddy bears to the charity.

Celebrating & Supporting Navajo Arts & Crafts

Watch as a beautiful rug is handwoven throughout November - recognised as Native American Indian Heritage Month - and December, and enter the drawing to take it home, with all proceeds going to Adopt-a-Native-Elder, a charity supporting the wellbeing of Navajo Elders on the Navajo Reservation.

At the resort

From awe-inspiring landscapes to ancient Navajo traditions, discover all that Amangiri has to offer.

Aman Spa

The Aman Spa at Amangiri is a 25,000 square foot destination in itself, providing a serene setting for relaxation and rejuvenation. The entrance is reminiscent of nearby slot canyons and opens onto an intimate reception and lounge area. As guests move from space to space within the spa, their sense of discovery echoes that of moving through the rock formations within the surrounding landscape. The spa menu has been designed to reflect the elements of Navajo culture and traditions, restoring the hozho which means beauty, harmony, balance and health.

Outdoor Adventures

The starkly beautiful desert landscape surrounding Amangiri offers a host of outdoor activities. The extensive on-property trail system and via ferrata routes lead guests to picturesque viewpoints and other sites of interest. Guests are also encouraged to explore the Grand Circle region comprising five national parks. From canyoneering in slot canyons to excursions by air, bike, boat or on horseback, guests can discover the iconic landscapes of the American Southwest at their own pace.

Private Dining

Guests can also enjoy a private dinner in a selection of exclusive venues on-property providing the perfect setting for unique celebrations.

Dining

Amangiri's main restaurant is open for breakfast, lunch and dinner, and offers breathtaking views at sunrise and sunset. Served indoors or on the pool terrace, the menus showcase local ingredients, taking inspiration from Native American cuisine, tempered with modern global influences. A four-course 'Spirit of the Journey' tasting menu with matched wines pays tribute to the culinary traditions of southwestern indigenous communities.

Cultural Encounters

Amangiri's collection of unique experiences includes Native American story tellers and hoop dancers, wildlife workshop, astronomy presentations and live musical performances.
