

Rosa Alpina

Festive 2021/22

Welcome to San Cassiano,

Here at Rosa Alpina, we are delighted to welcome guests both old and new to celebrate the festive season together and share our sanctuary in the majestic Dolomites. This year, more than ever, we feel an overwhelming sense of gratitude for the health of our loved ones – and have been reminded of the importance of treasuring every moment spent together. Time waits for no one, and as the saying goes, yesterday is history, tomorrow a mystery, and today a gift. Let's cherish every moment spent unwrapping the "present" this year, creating memories to last a lifetime.

To help you make the most of every minute, we have designed a special holiday program that includes a range of new and unique experiences, live entertainment and culinary discoveries to make your stay with us even more memorable. In addition, we continue to offer the activities and excursions found in our directory. If you are interested in a particular activity, please contact our Guest Assistants who will ensure that everything is seamlessly arranged.

We wish you and your family a joy-filled holiday season and a very happy New Year!

All the very best,
Your Rosa Alpina Family

Supporting the Local Community

Rosa Alpina is an integral part of San Cassiano, and this provides unique insight into the needs of the local community. At this time of year, when reflection and counting one's blessings go hand in hand with reaching out to those less fortunate, we are pleased to be able to support a local charity.

La Spona

La Spona is a wonderful local charity that supports children and adults with Down Syndrome. The charity aims to increase independence and build confidence with supervised development plans for every individual, offering daily workshops and sessions on coping with everyday challenges. Join us on 26 December at our Christmas Food Market to savour delicious sweet and savoury treats and to purchase items made by those supported by La Spona's programmes. For more information, please visit www.laspona.it.

Breakfast on Limonaia's sunny terrace overlooking the forest; savour family-style Italian dishes with gaze-worthy mountain views for lunch and dinner in the Wine Bar & Grill and enjoy heart-warming fare at the intimate Fondue Stube. And then there is St. Hubertus, the domain of legendary Chef Norbert Niederkofler and his team. Open for dinner, this award-winning restaurant has earned three Michelin Stars celebrating Niederkofler's 'Cook the Mountain' philosophy.

Private Dining

Enjoy a celebratory champagne tasting followed by a private five-course dinner in The Library with its serene ambience and spectacular views. Your menu will be personalised in advance with our chefs, to ensure every moment of your private celebration exceeds expectations.

Rosa Alpina Spa

As well as a magnificent indoor heated swimming pool for families, Rosa Alpina's serene spa offers a range of facilities for adults only. Complementing nine tranquil treatment rooms are extensive hydrotherapy facilities, a second swimming pool and a relaxation area, while the Fitness Centre and Yoga Room allow for active work outs with uplifting forest views.

Unforgettable Winter Experiences

The Silver Mirror

Known to very few, the Silver Mirror is a vast ice wall rising from a carpet of untouched snow. Visit this secret place with one of our knowledgeable guides, rising over nearby peaks in a helicopter before landing to enjoy an aperitif and admire this 2,000m by 1,000m natural wonder. Afterwards, choose to return to Rosa Alpina or visit Plan de Corones for a special lunch at AlpiNN.

Ski the Italian Way

Combine breathtaking skiing through multiple valleys with gourmet stops, combining two Italian mainstays in one exceptional outing. After pausing for a caffè macchiato in a scenic spot or two, take a helicopter ride to Cinque Torri (which inspired Tolkien's *The Lord of the Rings*) for aperitivo and cold cuts at Rifugio AVERAU followed by lunch at da Aurelio restaurant meeting the Chef Luigi Dariz of Da Aurelio. Ski on from Lagazuoi at 2,700m to Rifugio Scotoni to try Kaiserschmarrn pancakes and homemade pine grappa, before descending to the valley below via a magnificent ice wall. A rope pulled by horses will return you sated and glowing to San Cassiano.

Private Mountainside Sundowners

Our guides know multiple secret spots in the mountains where sundowners and canapes can be enjoyed in consummate privacy with awe-inspiring views. As the setting sun paints the sky myriad pinks and the mountains blush the softest rose, relax with your drink of choice and tasty traditional snacks. Combine this with our Enrosadira story-telling experience and fall under the spell of the mythical King Laurin and his rose garden.
