BEYOND THE SKY AND THE EARTH: A JOURNEY INTO BHUTAN

Inspired by the lay-out of a typical Bhutanese village, the design of the Amankora Paro Lodge echoes the flow and sensibilities of these tightly knit communities. At the heart of every village is a “Lakhang” or a monastic temple where the spiritual hub of these communities reside. As a bridge between mortals and gods, the temple is a sacred space, and is a place where one can find enlightenment - both physical and spiritual.

Meant to embody the symbolic design and significance of these vital temples in every village, the Aman Spa in the Paro Lodge of Amankora is a solemn shrine of spiritual and physical wellness - meant to guide the body into a path of grounding and healing. With its main yoga and movement studio space facing the light of the rising sun and its treatment rooms below designed as sanctuaries, the spa is an enriching haven to find one's centre in the universe.
