Aman properties around the world are an integral part of the communities in which they are set, providing unique insight into the lives and needs of each community.

At this time of year, when reflection and counting our blessings go hand in hand with reaching out to those less fortunate, we are pleased to be able to share our local initiatives.

Unforgettable experiences

Aman Le Mélézin offers plenty of ways to experience the fairytale snowscape it inhabits – both active and more sedentary – as well as cultural, culinary and wellness pursuits.

First tracks

This experience takes guests to the highest point within the valley (2,740m above sea level), where views of Mont Blanc and La Grande Casse await. Supervised by an experienced instructor, guests can embark on a breathtaking solo journey down ‘La Combe de la Saulire’ a legendary ski run where fresh snow is sheltered year-round, enabling an unspoiled descent.

Moonbiking

New this season, Aman Le Mélézin offers guests the opportunity to glide effortlessly across the alpine terrain and through forest glades on a Moonbike – an ultra-light electric snow bike.

Alternate Snow Sports

For those not skiing or snowboarding, get outdoors with self-piloted dog sledding, tobogganing, day and night sledging, ice-skating and half- or full-day guided snowshoeing or trekking expeditions into rarely visited areas with expert guides.

Aerial Adventures

Enjoy several new scenic helicopter tours over Les Trois Vallées, the Haute-Tarentaise Mountain Range or around Mont Blanc. Alternatively, a trip in a hot-air balloon at sunrise offers panoramic views of the snow-carpeted surrounds.

Evening Adventure at Les Prés de la Croix

This memorable experience starts with a horse-drawn carriage ride at dusk from La Tania (a 30-minute drive from the hotel) to Les Prés de la Croix, where a typical Savoyard dinner of cheese fondue or hotpot awaits beside a roaring log fire. A bespoke five-course menu created by a private chef can also be arranged on Friday evenings. Children can play games in the chalet’s mezzanine or sled beneath the stars before the homeward journey (by toboggan or snowbike to La Tania) concludes with a taxi-transfer back to the hotel.

Wellness in the Alps

Aman Spa

Relax and unwind this festive period in the property's 767-square-metre holistic Aman Spa, an oasis of tranquility and rejuvenation. Comprising two entire floors of the property, the spa features five spacious treatment rooms including two double suites and one signature Thai massage suite, while a traditional Turkish hammam is perfect for soothing hot stone massages and energising Himalayan salt scrub experiences.

The spa menu has been carefully curated to offer treatments that provide nourishing heat and moisture following exposure to the wind and cold. The Signature Spa Journey combines dry brushing to boost circulation, a tension-releasing hot stone and oil massage, and a calming facial designed specially to counter the Alpine elements.

Fitness

The expansive yoga studio includes TRX equipment and is complemented by a fitness studio, a relaxation lounge and extensive hydrotherapy areas, including a 14-metre indoor lap pool, experiential showers, a cold plunge pool and a wooden sauna.
