

A photograph of a desert landscape featuring a massive, layered rock cliff face. The cliff is composed of various shades of orange, red, and tan, showing distinct geological strata. At the base of the cliff, several large, white, conical tents are pitched on a sandy, rocky slope. The foreground is filled with dry, yellowish-brown grass and small green shrubs. The sky is a clear, pale blue with a few wispy white clouds. The overall scene is bathed in the warm, golden light of late afternoon or early morning.
