AN AFTERNOON OF RELAXATION AND INDULGENCE

HYDROTHERAPY AT THE BATHS

Amangalla's hydrotherapy facilities are a unique extension of the relaxing experience that is The Baths. Stroll past candlelit recesses, beneath lofty ceilings and traditional archways to reach the two private hydrotherapy chambers that house the various pools. Whether hopping from the intense heat of the sauna to the icy cold plunge pool for an invigorating health hit or from the massage pools to the shadowy steam room for some soothing time out, you will discover that our hydrotherapy experience is as calming as it is revitalising.

AMANGALLA SIGNATURE MASSAGE

Our signature massage features a unique combination of Swedish and deep tissue techniques to ensure complete relaxation and rejuvenation. Our therapists draw on their vast experience in the healing arts and their finely-tuned intuition to customise each massage to the individual.

We recommend arriving at least 10 minutes before your massage is scheduled to begin to allow time to complete our spa registration form and to begin the relaxation process with a soothing herbal tea or refreshing juice.

AFTERNOON HIGH TEA

Amangalla's afternoon high tea includes a selection of tartlets, cakes, savoury bites, scones with homemade jam and clotted cream, and assorted finger sandwiches, all served on a traditional silver stand and accompanied by your choice of classic, infusion, herbal or rare Sri Lankan teas.

Afternoon tea is served every day from 3pm – 5.30pm in a choice of locations.
