For groups occupying the island exclusively, the beach offers endless opportunities to entertain with toes-in-the-sand, while for smaller gatherings, a private location can be identified by the resort's dedicated team, based on the number of guests and timing of the event.

# Corporate events

## Incentives

Allow Amanpulo to provide impressive and inspiring incentive retreats. Let our team compile a team itinerary to suit your individual goals – whether encouraging bonds between team members, or simply helping each individual find a sense of peace.

## Business Retreats & Meetings

Amanpulo provides a unique yet soulful destination for meetings, summits and business launches, offering an alternative approach to the traditional hotel setup. The resort can cater for a range of corporate events, including more relaxed and intimate settings for smaller groups of up to 50 people.

## Exclusive Use of Amanpulo

With its own unique character, intimate spaces, limited number of rooms and intuitive personalised service, Amanpulo provides the perfect opportunity for guests to take the entire resort as an exclusive venue for a special occasion of corporate retreat. Events that occupy our 42 Casitas and 18 Villas are considered full resort buyouts, granting supreme privacy and island exclusivity. Buyouts are subject to availability.

# Wedding Ceremonies and Receptions

Amanpulo's spectacular setting, unique architecture and natural surroundings mean that almost every turn reveals yet another space suitable for exchanging or renewing vows. Ceremonies can be held on the island's pristine shores against the azure horizon, perched cliff-side with panoramic views, or across the pier for a grand affair to remember. For smaller groups, the grotto at sunrise or sunset is both intimate and secluded.

To officially say 'I do' at Amanpulo, couples must process the required government documents in their area of residence. For Catholic weddings, Amanpulo can assist in making arrangements for the Parish priest of Agutaya, a neighbouring island, to officiate the marriage.

After the ceremony comes the celebration with a choice of a wedding banquet surrounded by the beautiful interiors of the resort's indoor venues or outside in a range of venues, with the island's breathtaking landscape as a backdrop.
