Spa Facilities

Jungle Cove Spa and Spa Tent

Amanwana Spa is a wilderness hideaway forgotten by time, surrounded by the turquoise water and untouched reefs of the Flores Sea. Amidst the beauty of the island's nature, here one can take the time and space to reconnect with your inner self. Not your traditional spa, Amanwana offers an alternative to the regime and routine. The Spa was conceived and created to blend Indonesian-influenced techniques with the best of the East and the West. The Jungle Cove Spa features tranquil views of Amanwana Bay from an open-air double treatment room with an outdoor shower and large sunken tub just steps from the water's edge. In addition, there are 2 single treatment rooms with an outdoor shower. Treatments can also be enjoyed in our Spa Tent, located near the Restaurant, or in the privacy of your own tent. The Spa Tent features two massage beds, a bathtub, a separate shower, and a toilet.
