

An aerial photograph of a winter resort. The foreground and middle ground are covered in snow. A winding road curves through the landscape. In the background, a large lake is visible, and further back, a range of rugged, snow-capped mountains rises against a clear blue sky. The resort buildings are clustered in several areas, appearing as small, dark structures with light-colored roofs.

A TIME TO REFLECT

FESTIVE 2023 / 2024

Season's greetings,

We are delighted to share the festive season with you here in our peaceful home, where we know you will create unforgettable memories with those you love while embracing the spirit of the American West.

When you are not tackling the varied ski terrain of Jackson Hole's mountain ranges or exploring our quaint town, discover our exciting festive calendar curated to cater for all ages and interests.

If you are interested in participating in any of the events across these pages, please contact a member of our activities team. Each member is dedicated to making the coming days as seamless as possible and assisting with any special requests. Kindly note that some activities may have limited availability and that advanced reservations are highly recommended and, in some cases, required.

Wishing you a joyful holiday season and a happy and healthy year ahead.

Your Amangani Family

## A BRIGHTER FUTURE

Aman properties around the world are an integral part of the communities in which they are set, providing unique insight into the lives and needs of each community.

At this time of year, when reflection and counting our blessings go hand in hand with reaching out to those less fortunate, we are pleased to be able to share our local initiatives.

## JACKSON HOLE LAND TRUST

Amangani donates two dollars for every night's stay to the Jackson Hole Land Trust. This is a local program with a mission to protect and steward the treasured landscape of Southwest Wyoming. Additional donations from guests are always welcome.

## AMANGANI BED LINEN PROGRAM

We are very fortunate here in Teton County; others are less so. When you opt in to our Linen Program, agreeing to having your bed sheets changed every other day instead of every day, the money we save on laundry goes directly to our local Food Bank to help feed those in need over the holiday season.
