

A wide-angle photograph of a coastal scene at sunset. The sky transitions from a pale blue at the top to a vibrant orange and yellow near the horizon. Several dark, horizontal clouds are scattered across the sky. In the foreground, the sea is a deep blue with gentle ripples. A small, dark boat is visible in the lower center. To the left, a rugged, dark mountain range extends towards the water. In the distance, a small, isolated island sits on the horizon. The overall mood is serene and peaceful.
