

A woman in a black athletic outfit is performing a handstand on a blue yoga mat. She is positioned upside down, with her legs spread wide and arms extended to the floor. The background is a blurred outdoor setting with greenery and a wooden surface. A small bowl with a wooden stick is visible on the right side of the mat.

# AMANYARA

Visiting Specialists  
2024

## Movement, mindfulness and spa therapies in the year-round Turks and Caicos.

Throughout the year, Amanyara welcomes the world's most accomplished experts for a series of specialised wellness programmes. Visiting specialists include revered practitioners in health, fitness and holistic wellbeing traditions, ranging from masters of therapeutic bodywork to world leading sports therapists, stress management coaches and professors of mindfulness and meditation

Amanyara's extensive facilities and training programmes can help guests looking to improve both general fitness and individual sporting performance, with personal trainers, tennis instruction for all ages and boxercise sessions in the dedicated studio. Private sessions covering a range of disciplines are available, including Pilates in the fully equipped studio, restorative yoga and guided breathing and meditation.

# Amanyara's Resident Specialists

Toby Maguire (All Year)  
Resident Wellness Manager

Toby Maguire's journey into wellness began in his early 20s when a book on meditation completely transformed his life. Wishing to learn more and deepen his practice, he moved to Thailand in 1998 where he began to study in Buddhist monasteries. It was during this period that he also became interested in Eastern Medicine and studied Thai massage, Acupuncture, Qi Gong and Hypnotherapy

Erika Bloom (All Year)  
Specialist

Noted for her unique approach to Pilates developed at her studios in Manhattan, Greenwich and the Hamptons, Erika is a former professional dancer who has been studying Pilates and numerous other therapies for 30 years. The Erika Bloom Method encompasses Essential Movement as well as holistic nutrition, meditation, Myofascial Release and complementary medicine.

Lenon Buenafe  
Resident Spa Specialist

Lenon is our resident physiotherapist who, after graduating in 2006, began her career working in the physical medicine and rehabilitation unit of a hospital in the Philippines. In 2008, she decided to expand her experience and work overseas as a massage therapist, but her background soon lead her into training where she was able to share her broad knowledge of anatomy and physiology with other massage therapists.

# Amanyara's Resident Specialists

Jick Cabebe

## Resident Spa Specialist

Jick joined Amanpulo 14 years ago as a spa trainer. After several happy years he left to expand his knowledge, gaining experience in Thai Massage, Reflexology, Shiatsu and Cupping. Today he specialises in an alternative therapy called Hilot, an ancient Filipino art of healing that works on a physical and emotional level. It incorporates chiropractic like manipulation with specialised massage techniques on the musculoskeletal system.

Dahlia Pilien

## Resident Wellness Specialist

A highly trained neuromuscular therapist, Dahlia Pilien specializes in Neuromuscular, Trigger Point, Deep Tissue and Sports Massage. Her 18 years of experience in the wellness field includes 15 years working in Aman Spas in the USA, the Caribbean and the Philippines. Dahlia has a deep understanding of how to enhance movement and of the deep connection between body and mind.

# The Specialists

She is passionate about working with women throughout all stages of life and is a trained doula and pre and postnatal Pilates and yoga specialist.

# Summer Popups

David Bowen

May 2024

David Bowen was introduced to mind, body and spirit concepts in the early 70s as a Martial Arts student, before beginning Hatha Yoga training in 1973. He moved to New York in 1979 on a dance scholarship, but continued to practice yoga. In 1984 he studied meditation, yoga philosophy, Nada (sound) Yoga and Ayurveda in Goa, India. He later moved to Tokyo, Japan where he studied Zen Buddhism and taught Hatha Yoga for 10 years before returning to the Turks and Caicos to take up a government post as Director of Culture. He currently runs his own yoga training school and will be bringing both yoga and sound healing to his summer popups at Amanyara.

Scott Beven

June 2024

Based in the Turks and Caicos Islands, Scott Beven is an integrative health and fitness coach with more than 20 years' experience in the health and wellness industry. Scott addresses the physical and cognitive aspects contributing to improved health, fitness and vitality. His mission is to teach people how to embody and live a "whole", sustainable lifestyle and his workshops focus on the primary movement patterns of the body, educating guests exactly what muscles to engage with and the postural relevance of each movement.

Lindsay and Laura Mensen

July 2024

Lindsay and Laura Mensen are sisters and cofounders of KYN with over 15 years in the health and wellness industry. Having grown up in both Canada and the Turks and Caicos Islands, they began their entrepreneurial adventure with a boutique yoga studio and vegetarian cafe in their adopted Caribbean home. KYN has grown to become a holistic lifestyle company that provides a unique, knowledgeable perspective on living well, delivered through movement, nutrition and discovery.

Ainara Valero Pino

August 2024

Hailing from Bilbao, Spain, Ainara Varela Pino graduated with a HND in Dance from Glasgow University in 2004 and qualified as a yoga instructor in 2006. Whilst teaching dance and yoga in London, she discovered and fell in love with Bio Danza, which comes from the Greek bio (life) and the Spanish danza (dance) and can be translated as "the dance of life". Bio Danza promotes the ability to connect with one's emotions and to express them in a safe and positive manner through dance and movement. Practitioners experience the space to heal and deeper bonds with nature and those around them.
