Five-Bedroom Artists Villa
Fact Sheet

Five-Bedroom Artists Villa

The Villas at Amanyara offer consummate private escapes for families, groups and gatherings. Each villa is uniquely designed to seemingly grow out of its lush landscape, offering an organic sense of seclusion and serenity. Within a villa, every guest enjoys the privacy of a free-standing bedroom pavilion. Pathways connect pavilions to shared outdoor lounge and living spaces that invite guests to embrace the open air, reflecting by the tranquillity ponds or reclining beside volcanic stone infinity pools. A central pavilion serves as the gathering point for each villa, offering a generous indoor space to share meals or simply enjoy the company of loved ones.

At the heart of the villa experience is a dedicated host team, ensuring personalised service from pre-arrival preferences to arrangements during the stay. Villa hosts can act as an extension of Amanyara's guest experience team, liaising with the spa to arrange an in-villa treatment or reserving the cinema for a private movie night. Villa chefs are highly skilled, with unique cultural backgrounds and are always ready to orchestrate a bespoke dining experience, from casual holiday barbecues to a bespoke cocktail and dinner showcasing the vibrant cuisine of their own culture.

The Five-Bedroom Artists Villa is situated along Amanyara's dramatic iron shore, complete with its own exclusive beach cove. On arrival guests are welcomed via a path that seemingly floats above a reflection pond. The central living pavilion offers ample space for entertaining and relaxing and opens to an expansive outdoor lounge and deck area. Guests enjoy amenities including a prominent beachfront dining deck and a lap pool that extends out toward the sea. The villa features four guest pavilions situated within its verdant grounds, and a primary pavilion that sits atop a dramatic lookout point. The villa also features a yoga sala and a private gym complete with a steam room and cold plunge.
