Five-Bedroom Beach Sala Villa
Fact Sheet

Five-Bedroom Beach Sala Villa

The Villas at Amanyara offer consummate private escapes for families, groups and gatherings. Each villa is uniquely designed to seemingly grow out of its lush landscape, offering an organic sense of seclusion and serenity. Within a villa, every guest enjoys the privacy of a free-standing bedroom pavilion. Pathways connect pavilions to shared outdoor lounge and living spaces that invite guests to embrace the open air, reflecting by the tranquillity ponds or reclining beside volcanic stone infinity pools. A central pavilion serves as the gathering point for each villa, offering a generous indoor space to share meals or simply enjoy the company of loved ones.

At the heart of the villa experience is a dedicated host team, ensuring personalised service from pre-arrival preferences to arrangements during the stay. Villa hosts can act as an extension of Amanyara's guest experience team, liaising with the spa to arrange an in-villa treatment or reserving the cinema for a private movie night. Villa chefs are highly-skilled, with unique cultural backgrounds and are always ready to orchestrate a bespoke dining experience, from casual holiday barbecues to a bespoke cocktail and dinner showcasing the vibrant cuisine of their own culture.

The Five-Bedroom Beach Sala Villa is set along the pristine shoreline of Amanyara's private white sand beach. On arrival, guests are greeted by a floating path that crosses a peaceful lake, around which four of the guest pavilions are situated. The central pavilion opens to ocean views and outdoor lounge spaces as well as a private infinity pool flanked by the primary guest pavilion and a lounging sala. Guests are also able to directly access Amanyara's private beach from the generous beach sala, ideal for cocktails at dusk, a private dinner or afternoons spent recharging between land and sea.
