Four-Bedroom Ocean Villa 30
Fact Sheet

Four-Bedroom Ocean Villa 30

The Villas at Amanyara offer consummate private escapes for families, groups and gatherings. Each villa is uniquely designed to seemingly grow out of its lush landscape, offering an organic sense of seclusion and serenity. Within a villa, every guest enjoys the privacy of a free-standing bedroom pavilion. Pathways connect pavilions to shared outdoor lounge and living spaces that invite guests to embrace the open air, reflecting by the tranquillity ponds or reclining beside volcanic stone infinity pools. A central pavilion serves as the gathering point for each villa, offering a generous indoor space to share meals or simply enjoy the company of loved ones.

At the heart of the villa experience is a dedicated host team, ensuring personalised service from pre-arrival preferences to arrangements during the stay. Villa hosts can act as an extension of Amanyara's guest experience team, liaising with the spa to arrange an in-villa treatment or reserving the cinema for a private movie night. Villa chefs are highly skilled, with unique cultural backgrounds and are always ready to orchestrate a bespoke dining experience, from casual holiday barbecues to a bespoke cocktail and dinner showcasing the vibrant cuisine of their own culture.

The Four-Bedroom Ocean Villa is set along Amanyara's dramatic iron shore affording guests unobstructed views of the turquoise waters of Providenciales. Guests are greeted by the central living pavilion serving as the heart of the villa. Generous interior spaces for relaxation and dining give way to views of the infinity pool, and the ocean just beyond. Two primary pavilions offer ocean views, and two further guest pavilions set back from the shore offer either a tranquil pond or a manicured courtyard. The villa offers ample space to socialise or share meals prepared by the private chef, including the outdoor dining pavilion with views over the pool and shore.
