

## *Cocktails and beverages*

Inspired from Mediterranean Spring aromas, local products and Greek culture as well as influenced from international mixology, the Amanzo'e team showcases a combination of abundant creativity and inspiring flavor. This is the result of a search in which we sought to match the international distillery tradition with the natural ingredients of Mediterranean land.

Proudly, we selected a few of the most elegant collections of spirits and wines around the world alongside a list of Greek flavorful quality spirits, to accompany any time of the day.

Enjoy!
