

amandari

Framed by jungle and rice terraces in Bali's cultural heartland, Amandari invites guests to discover the island's soul. Alang-alang thatched houses – some with pools, all with private tropical gardens – offer pavilions elegantly decorated with teak and coconut wood. The sacred grounds host dance classes and religious processions, leading to a 7th-century stone tiger, a motif repeated throughout the property.

LOCATION

- Amandari lies in the village of Kedewatan, part of Bali's cultural capital, Ubud, which is a 10-minute drive away.
- Hidden on a hillside overlooking rice terraces and the wilderness of the Ayung Valley.

Experiences

Ubud is known as the cultural heart of Bali, discover the unique lives of the Balinese, their Hindu rituals, and unique craftsmanship through tours or comprehensive activities.

NOURISHING SPIRITUAL JOURNEY

In the cultural heart of Bali, Amandari is a special place ideal for an immersive, transformative journey. This three-night retreat has been created to heal and nourish, combining traditional wellness rituals, spa treatments, and spiritual experiences, including temple visits, a reading with a local healer, and a traditional blessing ceremony at Amandari's own temple.

CULTURAL CEREMONIES

Cultural ceremonies are part of everyday life for the Balinese. Whether annual temple ceremonies, weddings or cremations, there is always something happening in the cultural heart of Bali. Ask our Guest Hosts for information regarding any ceremonies during your stay.

VILLAGE ARTISAN

Visit the tucked-away village ateliers of silversmiths, wood carvers, and Balinese painters, or take a lesson with an artist living nearby. Spend a peaceful morning or afternoon with a local Balinese artist with a private painting session at Amandari. Create anything from a simple local shrine to a colourful natural scene of Amandari's surroundings.

CYCLING OR TREKKING

From its perch above the Ayung River Gorge, Amandari offers countless trails and pathways leading into the natural wonderland that surrounds the resort. Cycling or trekking is a superb way to experience Balinese daily life and nature up close and personal, whether peddling through remote villages, trekking through lush jungles, crossing verdant rice paddies, or freewheeling down endless downhill on quiet back roads.
