## GIVING BACK

Aman properties around the world are an integral part of the communities in which they are set, providing unique insight into the lives and needs of each community. At this time of year, when reflection and counting our blessings go hand in hand with reaching out to those less fortunate, we are pleased to be able to share our local initiatives.

### Unakuruwa Government School

This festive season, we are pleased to support the nearby Unakuruwa Government School, a cornerstone of our local community. The school plays a vital role in shaping the future of children, yet it faces significant challenges in terms of basic facilities and resources.

Amanwella is dedicated to assisting the school by providing essential learning materials, creating a more supporting and engaging atmosphere, and enhancing the school's condition. By investing in these young minds, we are contributing to the betterment of our whole community.

Please join us in making a donation with the Guest Assistants team, should you so wish.

### Navjeevana Centre

The Navjeevana Centre offers rehabilitative assistance to children with disabilities and champions disability rights on a national scale. This season, Amanwella will be offering festive gifts to these children. Please contact the Guest Assistants team if you wish to contribute to this initiative.
